Subject: Supplemental Classification Review and Determination Request

(U//~~FOUO~~) In July 2015, the FBI received a Section 811 referral from the Inspector General for the Intelligence Community (ICIG) regarding the possible compromise of classified national security information.

(U//~~FOUO~~) The potential compromise was identified when, as part of a Freedom of Information Act (FOIA) request, the U.S. Department of State (DoS) and the ICIG reviewed electronic mail (email) communications from private email accounts previously used by a former Secretary of State during her tenure at DoS. An initial review of this material identified emails containing national security information later determined by the US Intelligence Community (USIC) to be classified up to the Top Secret/Sensitive Compartmented Information level.

(U//~~FOUO~~) The FBI respectfully requests the Department of Defense (DOD) conduct an official classification review and determination of the accompanying document (#72180).

(U//~~FOUO~~) This matter should remain separate from the FOIA matter(s) and information from this request should not be shared or co-mingled with the FOIA matter(s) to ensure the FBI's investigation is not compromised or adversely affected.

Subject: Are you coming to DC?

Dear Dave,

I'm concerned by recent developments and want to discuss w you. I heard you would be in US soon and hoped we might find time for a visit. I will be in DC on Sunday and then leave for the Middle East Mon-Thurs and back on Friday so I will miss the NSC mtg on AF-Pak. If a visit doesn't work, I'd like to schedule a secure call.

Pls let me know what might work for you. All the best, Hillary
